

The background is a dark, abstract composition of numerous thin, intersecting lines in shades of red and blue. A prominent bright white and yellow light source is located near the center, creating a starburst effect with rays of light extending outwards. The overall aesthetic is futuristic and digital.

CRAZY SQUIRREL JACKPOT

Three "Crazy Squirrel Jackpot" symbols scattered on the screen trigger the bonus game "Crazy Squirrel Jackpot".

The player has to find the entrance to the second bonus level. The higher the current bet the more chances player has to pass to the next level. Max bet players have obvious preference: they skip first level and are automatically taken to the second level.

On the second bonus level different treasures are hidden under eleven mushrooms: rubies, blue sapphires, emeralds and gold. A dynamite – a symbol of the early end of the game can be hidden under one of the mushrooms. If the player manages to fill the whole set of chests with the corresponding jewels he gets a jackpot!

Even if the player hasn't won the jackpot this time as a consolation prize he gets 5, 10, 15 or 20 free games with up to x4 win multiplier! Players surely will be enticed with the opportunity to continue playing and win jackpot on the next bonus round!

Amusing Crazy Squirrel will give your players a great chance to win any of 4 progressive jackpots at any bet. However the more you bet the better chances you have to hit a Jackpot!
